

Week 1 Hints:

- 1) That hash tag has been blowing up. Check it out on twitter.
- 2) It always bothered me that they don't actually spell the word "HELP" on the album cover. Try using semaphores better than they did.
- 3) Finish the limerick to see which tree is the worst. Heading into the woods, find the letter block pinned to this stupid tree.
- 4) Did you get the G... is... T? You can take it from there. To find the letter block, remember to keep close to your heart, and don't forget your map!
