

Week 2 Hints:

- 5) Hopefully you didn't look too hard at Post 1 or Post 11. There aren't many populus there! There's two good populus stands on the property. Use the map to find them. Watch out for the red herring by the lake!
- 6) Who's Mr. Vignere? Check out his Wikipedia page to see what else he's done. And where might you find his key? He probably left you a note.
- 7) Find a piano or musically talented friend to recognize the tune. What notes are missing? What are the words? ANDTROT isn't helpful. Do the underlines mean something else?
